## Forward-Looking Statements

This document may contain “forward-looking information”. Forward-looking information statements may include, among others, statements regarding the future plans, costs, objectives or performance of Shyft Network Inc. (the “Company”), the ecosystem or the platform or the assumptions underlying any of the foregoing. In this document, words such as “may”, “would”, “could”, “will”, “likely”, “believe”, “expect”, “anticipate”, “intend”, “plan”, “estimate” and similar words and the negative form thereof are used to identify forward-looking statements. Forward-looking statements should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether, or the times at or by which, such future performance will be achieved. The actual results of the Company, the ecosystem and the platform could vary from the forward-looking information contained herein, including as a result of such risks as a collapse in the market for cryptocurrencies, adverse regulatory developments and competition from other platforms. Forward-looking statements and information are based on information available at the time and/or management’s good faith belief with respect to future events and are subject to known or unknown risks, uncertainties, assumptions and other unpredictable factors, many of which are beyond the Company’s control.

The forward-looking information contained herein was developed based on assumptions related to, among other things, the continued growth of the blockchain technology industry, the success of the participants in the ecosystem and the demand for such participants in the ecosystem and the demand for such participants’ product offerings. The Company does not intend, nor does the Company undertake any obligation, to update or revise any forward-looking information or statements contained in this document to reflect subsequent information, events or circumstances or otherwise, except if required by applicable laws.
